WHAT ARE THE LABELS NEXT TO THE DISHES?

We have teamed up with Klimato to present climate labels on our menus. Klimato uses climate data from lifecycle assessments to calculate the carbon footprint of our food. The Klimato climate label indicates whether a dish has a Low, Medium or High carbon footprint.

ALLERGENS

We cannot guarantee that any dishes are completely allergen free due to being produced in a kitchen that contains ingredients with allergens. If you would like to know the allergens in our food or drink, please scan the QR code above or ask for a member of the restaurant management team.
